**-FOR IMMEDIATE RELEASE-**

**RFA Decor Introducing New Artists and Work at Spring High Point Market**

BOCA RATON, Fla.—RFA Decor, a Rosenbaum Art Company, will be introducing work by six new artists along with more than 100 new giclées in its Spring 2024 High Point Market Collection.

The new artists include Joe Davis, a painter, illustrator and graphic artist whose work has been featured in major publications such as *The New Yorker* and the *New York Observer*; Richard Kattman, whose abstract expressionist paintings are inspired by nature; Relja Penezic, whose work combines technology with painting and can be found in numerous public and private collections in the United States, Europe and Japan; Cindy Press, whose signature style, created with black and white oil paint on canvas, is influenced by contemporary fashion photography, and who counts Bloomingdale's and The Four Seasons Hotel among her clients; photographer Brittany Sturrett; and Mary West, whose paintings, inspired by landscapes, blur the lines between abstract and figurative painting.

Other highlights from RFA Decor's Spring Collection include new abstract art by Lisa Cuscuna; new photography by Peter Odekerken; new photorealistic work by artist Jeff Schaub; new abstracts, florals and works from the travel series by artist Robert Robinson; and new abstracts, photography and graphic art from RFA Decor's MOD Collection of moderately priced art.

The complete Spring 2024 Collection can be viewed in RFA Decor's High Point showroom (H223, Hamilton Wing, International Home Furnishings Center, 210 E. Commerce, High Point, N.C.).

RFA Decor, a Rosenbaum Art Company, is a major wholesaler of original art, hand-embellished giclées, mirrors and decorative accessories for residential, corporate, contract, decorative and furniture markets. The company's offerings can be seen each Fall and Spring during the High Point Market, year-round by appointment in its High Point showroom, and year-round at its showroom/gallery in Boca Raton, Fla. All of RFA Decor's artwork is made in the U.S.A.
