FOR IMMEDIATE RELEASE

SELECTED FOR TREND WATCH AT HIGH POINT MARKET

Michael Clément's work is chosen to represent the key trends of the season at Spring Market 2014

NEW ORLEANS, LA

March 21, 2014 – M. Clément and his team of artisans are honored that our Constance lamp and Font has been selected for TREND WATCH at High Point Market, April 5-10. M. Clément's Spring 2014 Collection features stylish hand-made lamps and bowls finished with glimmering metallics, a key trend this season.

The "History 2.0" TREND WATCH display features products with natural materials and textures like bone, shell or paper with gold as a key finish. The handmade Constance lamp selected is finished in our custom Spanish Moss color and is hand textured. Finishing the lamp is a shallow drum shade painted Spanish Moss detailed with an antiqued gold leaf banding. The handmade Font, also selected, is finished in our custom color Fog complemented with our Deco Leaf pattern in an antiqued gold leaf.

Designer Michael Clément's handcrafted decorative arts are finished with an elegant palette of rich custom colors and distinctive finishes mimicking the patina of time inspired by his hometown, New Orleans. The extensive choice of forms, colors, patterns, finishes, and shades, allows a designer to create unique piece.

Based in New Orleans, M. Clément specializes in handmade distinctively finished lamps and accessories. M. Clément and his team of artisans has created a line of decorative art that reflects the aesthetic of classical and traditional forms with finishes that evoke the veneer of the city. M. Clément's designs will be displayed in The Suited at Market Square, Showroom M-5017 at High Point Market this spring.
