*French Accents new home. 200 Steele building, High Point.*

## **About French Accents**

For over two decades, French Accents has been a leader in the hand-knotted rug industry. The company has emphasized its use of texture, colors, and a strong focus on design as the recipe to its success. French Accents' commitment to excellence derives from a deep appreciation for classical aesthetics. The company has accumulated the knowledge of traditional weaving techniques in order to create the highest quality hand knotted rugs. French Accents mission is to create meaningful rugs that transcend time and trends.
