Skyline Design Luxury Outdoor Furniture launches the new lineup for 2022 and expands into a large outdoor furniture showroom located at 411 Manning St, High Point NC.

May 17, 2021 - Miami, FL - Skyline Design North America expands its offerings in Luxury Outdoor Furniture with the large outdoor furniture showroom in High Point NC. This new patio furniture display is coming from the pandemic hiatus. Skyline Design will be displaying at 411 Manning Street Showroom June 3-9, 2021. The showroom and outdoor courtyard will have "wow" items on display both indoor and outdoor. The showroom will be available year-round to key accounts and retailers to visit in North Carolina. It will be shared with our sister company Pelican Reef Inc.

Skyline Design, a global brand of Luxury Outdoor Furniture has released its 2021-2022 Luxury outdoor furniture offering, and sales materials in conjunction with the new website launch. The styles and designs are dedicated to showcasing the latest design trends from our contemporary European outdoor offerings. The 2022 virtual trade showroom tour is also available online as well for dealers and consumers.

"We are excited to launch an expanded presentation of our lineup of outdoor products in conjunction with the High Point Market," said Marie Ferreira, Vice President for Skyline Design North America. Over the past 14+ years Skyline Design has gained industry recognition with its "WOW" and signature pieces like the Sparta, Shade, & Cube Daybeds. If you would like to visit our new High Point showroom, please reach out to sandra@skylinedesign.com for an appointment, or we are open daily from 8:30-6 pm at 411 Manning Street.

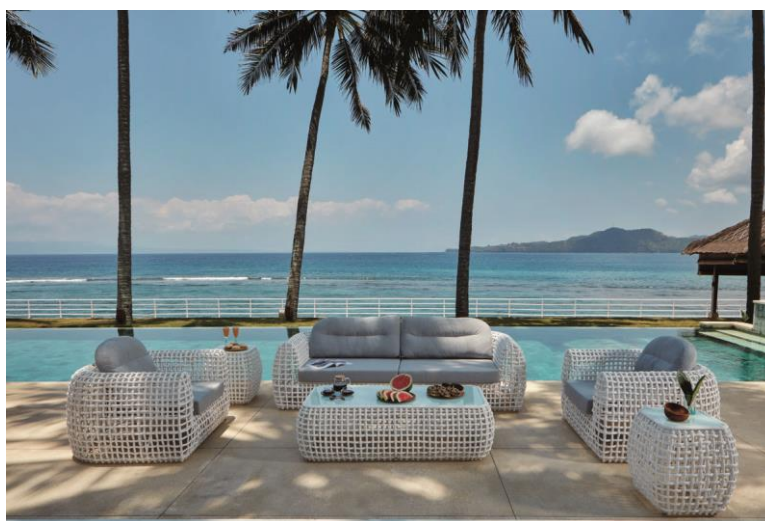

Skyline Design, a global brand for specialty retailers, designers, resorts and restaurant use can be found in every continent around the world. Skyline Design has installations in many high-profile commercial properties like Hilton, Marriot, St. Regis, and our products can be found at retail stores around the world. The Skyline Design North American headquarters maintains stock of the North American lineup in their Florida distribution center, and offers a mixable container program to home furniture retailers.

For real time updates, retailers and consumers are encouraged to follow Skyline Design on Facebook, Instagram and Twitter. For further information on tradeshow please visit our web site at www.skylinedesign.com/northamerica or you can contact Marie Ferreira, marie@skylinedesign.com
