About Interior Design Society

The Interior Design Society (IDS) is an independent national organization comprised of more than 2,000 members. One of the country's largest design organizations dedicated to serving the residential interior design industry, IDS embraces four core values including professionalism, community, influence and growth. The IDS National headquarters is located in High Point, NC,

the world's home furnishings capital. Founded in 1973 by the National Home Furnishings Association (NHFA) to support interior designers based within furniture stores, the Interior Design Society has long since expanded its focus to provide support to professional interior design entrepreneurs nationwide.
