Introducing Zebra Up & Down: Adjustable Tables of a Different Stripe

JANUS et Cie expands its exotically inspired Zebra collection with two new adjustable Up & Down Tables, offering endless versatility and enhanced ergonomics.

Available in square or rectangular frames, both Zebra Up & Down Tables adjust to three heights—17.75 inches (45cm), 26.5 inches (67cm), or 29.25 inches (74cm)—accommodating a multitude of chair styles and task-based customization, whether used as a cocktail table, dining table, or even a desk. Cleverly integrated wheels maintain the clean lines of the legs while facilitating easy movement for a variety of uses, from buffet service at events to pairing two tables to host larger gatherings, or simply selecting the optimal spot to dine or work on the spur of the moment.

The Zebra collection of powder coated aluminum tables and chairs are inspired by its namesake's stripes and feature graceful, gently tapered legs and a striking, contemporary silhouette. The Zebra Up & Down Tables are available in the standard collection finishes of Metallic Grey and White, as well as an exclusive Black finish.

As durable as they are beautiful, the Zebra Up & Down Tables are well suited to both commercial and residential settings, in both exterior and interior designs.

Zebra collection includes:

- Stackable Armchair
- Stackable Side Chair
- Lounge Chair
- Dining Table Round 82
- Dining Table Square 82
