## ISFD Announces Winners of the 3<sup>rd</sup> Annual INNOVATION + DESIGN Maker/Designer Juried Competition

**High Point, NC, Sept. 23, 2022** — Forty-nine professional and student finalists vied for the honor of being named a Category or Best of Show winner in the highly competitive [International Society of Furniture Designers \(ISFD\)](#) 3rd annual [INNOVATION + DESIGN](#) home furnishings competition. The winners were recognized at the “Meet the Designers” awards celebration held at 401 W. English on the Campus of Congdon Yards in High Point, on Thursday, Sept. 22.

This furniture industry sponsored juried competition and exhibition was open to professional designers who make their own products and the next generation of serious woodworking students who are anticipating a career in the custom wood and related home furnishings industries. The finalists’ projects were also creatively photographed by 17 area photographers participating in the INNOVATION + DESIGN’s People’s Choice photographic competition and will be voted on by the exhibition visitors through Oct. 26. The photography winners will be announced at a live celebration co-hosted with Theater Art Galleries (TAG) on Oct. 13<sup>th</sup> from 5-7 pm also at 401 W. English.

“I want to thank the very talented designers for sharing their highly imaginative creations with us, the judges who were tasked with the challenging job of selecting the incredible winners and the photographers who stepped up to the challenge to shoot the projects in an extraordinary manner,” stated John Conrad, executive director of ISFD. “It is so exciting to see how much this event has grown over the past three years. Our plan is to continue to expand INNOVATION + DESIGN each year and to continue to make it a highly coveted furniture-award that recognizes High Point as the design capital in not only the industry and our community but also worldwide.”

Following the awards celebration, the INNOVATION + DESIGN winners’ and finalists’ projects will be on display Thursdays and Fridays from 3-7 pm and Saturdays noon-7 pm at 401 W. English until Oct. 22 and then during Market 8am-5pm through Oct. 26. Here, the designs will be viewed by thousands of citizens living in the Greensboro, High Point and Winston-Salem, North

Carolina area as well as High Point Market attendees. As a bonus, on Oct. 22 from 3-6 pm, ISFD will host a reception where industry executives, designers and merchants will be on hand to review the finalists' projects for potential production opportunities.

Category winners:
