

## **FOR IMMEDIATE RELEASE**

### **GREENINGTON Announces Move to Accommodate Growth**

**TUKWILA, WA - (September 1, 2021):** Earth-friendly bamboo furniture manufacturer Greenington is delighted to announce a major move to larger facilities.

“We are excited to relocate to a larger space,” commented Yang Lin, CEO, and founder. “Greenington is growing, and this step represents a significant milestone for our company. The new location accommodates more on-hand inventory and enables us to provide better support and service to our dealers. With increasing consumer interest in sustainable furniture, the added space will also allow us the opportunity for future growth.”

Greenington is moving offices, warehouse, and shipping facilities from its current location at 8017 South 224<sup>th</sup> St. in Kent to 6540 Glacier St. in Tukwila, just south of Seattle.

Accompanying Greenington’s expansion is the launch of a newly designed website. The new website offers a clean, modern design, and offers state of the art navigation to deliver product, news, and resources to better communicate Greenington’s strengths. Greenington encourages everyone to explore the new site at <https://greenington.com>.

#### **About Greenington:**

Founded in 2004, Greenington is a Seattle based sustainable furniture manufacturing company focused on creating beautiful and high-quality furniture using one of the earth’s most sustainable resources, bamboo. Recognized for incorporating sustainable practices and social responsibility into their product manufacturing, Greenington’s factory is certified ISO 9001 and 14001. Focused on quality, Greenington cuts no corners, while staying true to their sustainable mission, following strict international standards and guidelines, and maintaining a zero-waste manufacturing process.
