

FOR IMMEDIATE RELEASE

## **GREENINGTON Expands Direct Container Program**

**Tukwila, WA (October 2022):** Residential & commercial sustainable bamboo furnishings manufacturer Greenington has expanded their Direct Container Program with six new Bedroom Collections along with several intriguing new Dining designs featured at the upcoming High Point Fall Market.

"It's been an exciting project in many ways that has spanned the past year," said Yang Lin, Owner, and President. "We listened closely to direction from our current partners, and other potential dealers, and are coming to market with fresh and innovative designs offering generous scale without compromise." Yang went on to say, "We believe these designs will provide growth opportunity with existing dealers and create new avenues of engagement with future dealers in serving them with our mixed container program. Yang also added, "Our plan is to continue adding highly functional yet beautiful designs with generous scale that celebrate the best of modern style and luxury."

About Greenington: Greenington is a sustainable manufacturing company focused on creating beautiful, high-quality products using one of the earth's most sustainable resources, bamboo. Fixed on quality, Greenington cuts no corners, while staying true to their 25-year sustainable mission, following strict international standards and guidelines, and maintaining a zero-waste manufacturing process.
