Heather Karlie Vieira of HKFA

HKFA, Heather Karlie Fine Art, had its beginnings in a sublet apartment in New York City over twenty years ago. A self-described 'picker extraordinaire', Heather has made a business of being an invaluable source to the interior design and art gallery trade. Moving from New York City to Atlanta, Georgia, HKFA is now based in the Southeast. "I'm reaching an all new set of clients and colleagues", says Heather "And it feels great to be connected and to grow my network.
