

# EASYWAY PRODUCTS CO. PRESS RELEASE

## Easy Way Products Announces FSC Certification

Brownsville, TX – Easy Way Products, a transformational industry leader in outdoor performance products and fully upholstered furniture, proudly announces that its Brownsville, Texas distribution center is now certified by the Forest Stewardship Council (FSC). This significant achievement highlights Easy Way Products' ongoing commitment to sustainable practices, responsible sourcing and environmental conservation while maintaining luxury level quality products.

The FSC is a globally recognized organization that promotes responsible forest management and aims to ensure the long-term health and viability of forests worldwide. Easy Way Products has met the FSC's stringent criteria to become certified by demonstrating their adherence to the highest environmental and social standards. As Easy Way Products moves forward, they remain committed to continuous improvement and plan expanding their FSC certification.

"We are so excited to announce our Brownsville, TX location is officially FSC certified," said David Lueder, CCO of Easy Way Products. "In the near future we look forward to expanding that certification status to our Matamoros Factory location in Mexico."

Achieving FSC certification aligns with Easy Way Products core values and reinforces their commitment to sustainability and giving back to their communities. This certification also reinforces their commitment to environmental responsibility, local social impact in our communities, new and growing market opportunities, as well as transparent and credible business and manufacturing processes for their partners and customers.
