## FOR IMMEDIATE RELEASE

***American Homestead Furniture: The New Brand every retailer should be adding to their High Point Market schedule.***

**SALT LAKE CITY, UT-** American Homestead Furniture, home furnishings wholesaler, will be showing at the High Point S/24 Market from April 11th - April 16th, 2024.

We at American Homestead Furniture welcome trade and retail partners to experience our new program that gives North American retailers access to high-quality upholstery at outstanding price points.

Program features:

- Upholstery products market-tested for 10+ years and proven to sell with velocity!
- Consistent quality at an under-market price!
- Quality furniture you can build a reputation on: Kiln dried hardwood frames, high density foam cushions with pocketed coils, 20,000 minimum double rub count.
- We make container buying easy (we can make mixed containers down to 20 different sofas on a can and then also handle sea freight, customs, and drayage)
- Fully stocked US warehouse
- Exclusivity at volume on designs you curate
- FOB, Truckload, D2C and LTL
- **NEW Casegoods introduction!**
