## Experience the Best of Luxury Wall Art and Decor at Wendover's High Point Market Showroom

LARGO, FL, March 28, 2024—Wendover Art Group, a leading provider of luxury wall art and decor, is proud to announce the launch of over 550 new product designs this spring at its High Point Market showroom, located at 309 N. Hamilton St. in High Point, NC.

The company's commitment to innovation and elegance is evident in its introductions of new dimensional wall art and collaborations with renowned brands and designers such as The Metropolitan Museum of Art, Thom Filicia, and Lillian August. Attendees can expect to see unique wall art offered in historic and handcrafted frames by Friedman Brothers, among many other exciting products.

Lowcountry Originals will also showcase a transitional chandelier line featuring artisan details blended with a sophisticated aesthetic. Meanwhile, Kevin O'Brien Studio will launch a dreamy new bedding line featuring exclusive designs, luxury weaving, and over 25 new decorative pillows with handcrafted patterns and new hand-dyed colorways.

Wendover has also expanded its mirror program with over 700 new profiles. The brand's commitment to delivering unmatched beauty and craftsmanship remains unwavering, and its synergistic approach continues to push the industry standard for quality and innovation.

Richard Forsyth, CEO of Wendover Art Group, says, "This year's High Point Market showroom promises to be an unforgettable experience, showcasing the very best in luxury wall art and decor. As part of the Wendover evolution, we are excited to bring such a large assortment of handcrafted and domestically made products to market."

Wendover Art Group's new product introductions are a testament to the company's dedication to providing its customers the highest quality products and services. The brand's commitment to elegance and innovation is evident in every piece it creates, and the new product introductions are sure to exceed expectations. Wendover will open its doors on April 11th and will be open through Wednesday, April 17<sup>th</sup>.

### About Wendover Art Group

Starting as a small poster print company in 2005, Wendover Art Group has grown into a multi-channel American manufacturer of high-quality artwork, mirrors, wallcoverings, lighting, textiles, bed swings, and sculptures for top interior designers and brands in both the residential and commercial markets.

From its headquarters in Largo, FL (Tampa/St. Petersburg), Wendover maintains its commitment to producing artisanal creations that are domestically made, provide superior value to customers, invest in technology and talent, and strive to be The Source for Art. Building upon their luxury portfolio, in 2022, Wendover acquired Lowcountry Originals, a South Carolina manufacturer of lighting, bed swings, sculptures, and mirrors. In 2023, Wendover acquired Kevin O'Brien Studio, a textile company designed and handcrafted in Philadelphia, Pennsylvania, and Friedman Brothers, a 120-year-old decorative mirror and furniture accessories company based in Miami, Florida. Stronger together, Wendover, Lowcountry Originals, Kevin O'Brien Studio, and Friedman Brothers are building and expanding their product capabilities and offerings. All products are available through a network of sales representatives, online, and in showrooms in High Point, Atlanta, Dallas, and Las Vegas. ### **Lowcountry Originals**

Based in Bluffton, South Carolina, Lowcountry Originals offers custom lighting solutions committed to timeless craftsmanship inspired by the Lowcountry and made in the South.

In 2009 founder Becky Brackett noticed that designers were searching for custom lighting solutions, rather than mass-produced pieces. She began customizing handcrafted lighting with a unique and organic twist, providing custom, elegant pieces for designers across industries and styles. Today, she loves to see the excitement of designers and other creatives as they work with Lowcountry Originals to make projects come to life all over the nation. ### **Kevin O'Brien Studio**

Kevin O'Brien Studio has been creating luxury textiles for over 25 years. Initially established for making hand-painted velvet wearables, the focus shifted to pillows, bedding, and luxe linens to complement the velvet. The Kevin O'Brien Studio design center and factory is in a former Philadelphia movie theater converted to keep production under one roof. ### **Friedman Brothers**

Friedman Brothers specializes in creating exquisite, luxury decorative wall art. Their collection includes decorative mirrors, consoles, sconces, brackets, cornices, window treatments, and more. Every product is handcrafted, just as they were over a century ago, with utmost attention to detail and quality, which is not found in today's mass-produced products. Each piece is a unique work of art with its character, details, and charm, which is why Friedman Brothers products are highly regarded as collector's items and are featured in some of the most exclusive places in the world.
