## BURLAP SAFARI

Well-traveled rucksacks, make-shift tents, worn in khakis, mosquito netting... these are some of the inspirations behind **Burlap Safari**. Reminiscent of textiles you might find in your Safari travels, the collection consists of matte, metallic and two-tone options. This textural treasure will help navigate your design in 13 colors ranging from muted earth tones to fresh brights. Add some depth and quiet sophistication to your home and get en route with jute!
