For 150 years, Woodard craftsmen have created captivating furnishings for discerning style seekers. Looking forward to their next 150 years, Woodard melds that rich heritage with leading technological innovations in durability and comfort to produce unparalleled outdoor furnishings that are at once timely and timeless.

Customize your outdoor setting by selecting from an array of over 30 vibrant colors, textures and distinctive metallic finishes including the new Storm.

NEW

Accent pillows on sofas and chairs provide a new dimension of color, add personality, and offer comfort. Woodard now offers 11 pillows in a variety of shapes and sizes in over 200 fabrics to select from. New this season are the gap and beach ball pillows, as well as neck pillows for Sling chairs.

Woven Wonders

Inside comfort meets outdoor durability. This aluminum framed seating features reticulated foam overlaid in natural-looking Charcoal Grey all-weather wicker weave that dries quickly after a summer rain. **Canaveral Eden** offers two loveseats and an armless lounge chair that combine for a spacious sectional. Complementary accent tables complete the setting.

Woven Wonders

The **Canaveral Harper** loveseat and lounge chair are designed for conversation. Use a facing pair or four in a square for larger gatherings. For more intimate chats, the **Nelson** bar stool and bar height table are scaled just right for two.

Modern Redefined

New Century, a sophisticated design beautifully crafted in iron, is destined to be a contemporary classic. The urban influence is clearly defined in the geometry of the bench, dining arm chair and armless bar stool that complement a number of Woodard's iron tables. Available in your choice of metal finishes.

Relaxing Retreats

Spartan, a new Signature cast aluminum collection brings easy elegance to the outdoors. Deep seating and generous scale ensures comfort for all. Customize your space by pairing the classical design of Spartan with your choice of any Woodard dining table or fire table. Shown in Aztec Bronze, it is available in your choice of over 30 finishes.

Relaxing Retreat

Nova, a new generously scaled Signature collection, is expertly crafted in cast aluminum. This season's must-have – a double chaise with a white fabric canopy that provides a shady respite from bright sun. The wide channel-stitched, one-piece cushions add a slightly modern bent to this transitional design. Choose from any of 30 finishes to make Nova your own.

Comfort Counts

Nob Hill takes outdoor entertaining and dining to new levels. The popular Signature aluminum collection of dining, seating and lounging options now offers sling and padded sling dining and swivel chairs.

Our popular contemporary **Montecito** collection adds a double daybed for the ultimate in relaxation. Dual fully reclining chaises are positioned under a canopy with optional white fabric curtains for delightful day dreams. Montecito features a rich Coffee finish and lush all-weather cushions.

Metropolis Sling space-saving, stackable chaise lounge chairs are ideal for poolside or dockside. A new padded design makes lounging an all day affair. A variety of outdoor fabrics, specific to sling construction, are available to customize your outdoor décor.

Serene, an all-weather woven chaise, offers a new place to lounge. Durable construction beneath the Mocha wicker along with adjustable back and thick cushions provide the ultimate in comfort. A handy recessed compartment for phone storage is an added plus. Shown with the versatile **Universal Coffee Table** that can also be used sideways as a C Table to keep cold drinks close at hand.
