MAKES ITS DEBUT IN RENOWNED HOME FURNISHINGS BRAND MITCHELL GOLD + BOB WILLIAMS
SPRING 2017 CATALOG AND IN THEIR SIGNATURE STORES NATIONWIDE**

Philadelphia, PA — Wendy Concannon Photography's commissioned art piece, created exclusively for Mitchell Gold + Bob Williams, is currently featured on the cover of the Company's Spring 2017 Catalog. The large scale modern geometric print, "Main Line," was designed by Concannon specifically using the Mitchell Gold + Bob Williams' Spring 2017 color palette of muted grays, white and vibrant yellow. "This print is a great complement to decor styles from Mid-Century to '70's Mod," states Bob Williams, co-founder/president of design, Mitchell Gold + Bob Williams.

Bold and full of energy, the 50-inch by 50-inch "Main Line" fine art print of an original photograph is currently featured and available at Mitchell Gold + Bob Williams Signature Stores nationwide and online at mgbwhome.com and has a suggested retail price of \$1 187 (framed).

Wendy Concannon, a Philadelphia-based artist and photographer, has art installations in homes, retail locations and corporate offices from Palm Beach to Sun Valley, London to Hong Kong. To view Wendy Concannon's full collection, please visit **wendyconcannon.com**.
