WENDY CONCANNON PHOTOGRAPHY PREMIERS "THE CROSSING" SERIES AT HIGH POINT SPRING 2017 MARKET

High Point, NC — Wendy Concannon Photography, known for bold, vibrant, and abstract fine art photographs, is pleased to introduce her newest original works at High Point Market Spring 2017.

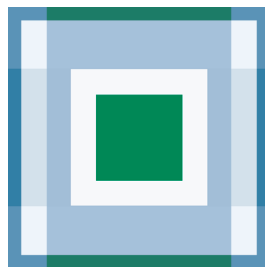

"THE CROSSING SERIES," No. 1, No. 2, No. 3 and No. 4 (pictured below), are contemporary abstract fine art photographs with a '70s Mod vibe. Standing alone, arranged as a pair, or in a grouping, these original pieces are meant to be versatile. Wendy Concannon's abstract pieces are an artistic exploration of color and shape, where lines start, stop, intersect, divide and define, creating visual harmony.

Shown mounted behind acrylic glass in a silver aluminum box frame, the pieces measure 42-inches by 42-inches. "THE CROSSING SERIES," No. 1, No. 2, No. 3 and No. 4 are each produced in a Limited Edition of 11. Wendy Concannon offers her works in custom sizes, colors, unframed or framed in a selection of custom-made acrylic frames. Commissions are available upon request. MSRP starting at \$1100.
