DIY Network's 'Salvage Dawgs' at High Point Market

High Point, NC: Case goods manufacturer, [Widget Home](http://www.widgethome.net) announces that Mike Whiteside and Robert Kulp, stars of DIY Network's Salvage Dawgs will attend High Point Market. The team will be on for the WithIt 20th Anniversary celebration Friday, October 13 and will be in the showroom to meet and greet retailers and promote the Black Dog Salvage line Saturday, October 14, 2017.

Black Dog Salvage is Widget Home's salvage-inspired line. The line features all solids in the bedroom, dining, occasional and upholstery categories. Fresh finishes, interesting silhouettes and unique, custom hardware combine beautifully to bring an unexpected softness to industrial solids.

Widget Home offers a warehouse consolidation program that affords retailers the opportunity to mix the Black Dog Salvage line with all of Widget's other product lines FOB from India.

Widget Home is a whole home resource offering unique, beautiful home furnishings at competitive prices. The company offers design excellence through a balance of style and sustainability. Widget Home brands include Black Dog Salvage and Destination Design. Widget Home furniture is sold through fine home furnishings retailers throughout North America and other countries. For more information, visit www.widgehome.net.
