

Stanwick & Co

British designers and makers of furniture.

CHARMING, BRITISH, TIMELESS

These are the cornerstones of every piece of furniture we create. We collaborate with skilled craftsmen to ensure a high-quality, enduring product that will be cherished for generations.

USING THE BEST MATERIALS

We stand in stark contrast to the throwaway culture. By combining premium materials with timeless designs and a natural inclination towards functionality, we infuse our furniture with a classic British luxury that is widely admired and emulated globally.

TRADITIONAL DESIGN

Our furniture design approach strives to inject character, charm, and uniqueness into our creations through traditional methods combined with modern machinery and the finest, most sustainable materials.

CHAIRS

Lovingly handcrafted by skilled craftsmen, our collection of English chairs is perfect for adding a touch of tradition and charm to your interior. With a wide range of styles to choose from, there's something to suit every home, from traditional farmhouse styles to contemporary designs. All of our chairs are made using the finest solid woods, creating authentic pieces that are built to provide comfort for generations.

the collection:

All pieces available in any of 16 Farrow & Ball colours.
Please visit www.stanwickandco.com for details.

TABLES

All of the tables in our collection are handcrafted in England by skilled craftsmen using traditional methods. They are all built with only the finest solid European woods, including beautiful oaks and versatile pines.

A wonderful balance of style and functionality, these tables are designed to last through generations of use. These are traditional English designs that can be enjoyed by the whole family as heirlooms for many years to come.
