## NUNA - A BEAUTIFUL PLACE TO LAND

Introducing Nuna, the elegant coasters by Bergs Potter. Nuna— an ancient name meaning "land"—is a collection that beautifully combines grounded sophistication and practical versatility.

Crafted from glazed stoneware, Nuna coasters effortlessly protect surfaces beneath plant pots, double as food-safe serving plates for your favourite snacks, and serve as stunning centrepieces. With graceful, rounded contours and a sleek, glossy finish, each piece harmonises form and function, ensuring your essentials 'land' beautifully.

Available in three versatile sizes: round Ø20cm, round Ø28cm, and oval L34 x H20cm, Nuna elevates everyday moments with its captivating colour pairings: Sandstone/Misty Blue, Sandstone/Mineral White, and Sandstone/Deep Burgundy.

Whether elegantly presenting fresh fruit, enhancing a meal, or adding understated charm to your décor, Nuna makes every occasion feel special.
