**Norwalk, OH (April 2025)** – Norwalk Furniture is proud to announce the launch of *Studio 1902*, a new upholstered furniture brand that blends American craftsmanship with a modern yet timeless design ethos. The brand will make its debut at the upcoming **High Point Furniture Market** in the **Norwalk Furniture Showroom, IHFC space M108**, with a special **launch event on Friday, April 25 from 3–6 p.m.**, featuring cocktails, snacks, and live music by *Chamberlin Birch*.

At its core, Studio 1902 is about transforming creativity into clarity—crafting upholstery pieces that transcend trends and resonate deeply with the people who live with them. Norwalk held a sneak peak of the Studio 1902 line at its factory and showroom open house last month in Ohio. The new collection was pre-ordered by multiple customers from across the country. “I was very pleased with the initial response” commented Carrie Norris, VP of business development at Norwalk Furniture, “and we were able to incorporate early feedback and make product improvements before taking this to our launch in High Point”. The company also states that the thorough Marketing support package will be available before the furniture arrives this summer.

Studio 1902 can be experienced in person at the Norwalk Furniture showroom throughout High Point Market. Market attendees are invited to attend the official **launch party** on **Friday, April 25** from **3:00 to 6:00 p.m.** to celebrate the brand’s debut.
