## **BDI Furniture Introduces the Luma Office Collection: A Sophisticated Blend of Design and Functionality**

**CHANTILLY, VA – April 24, 2025 – BDI Furniture**, a leader in innovative and design-forward furniture solutions, unveils its latest offering, the **Luma Office Collection**. Thoughtfully crafted to enhance productivity while elevating workspace aesthetics, the Luma Collection introduces a refreshing take on office furniture with refined materials, ergonomic features, and seamless functionality.

Designed to promote an active and dynamic work environment, the Luma Office Collection integrates **height-adjustable desks**, **versatile storage solutions**, and **modern accessories** that cater to professionals seeking both style and efficiency.

“At BDI, we understand that a workspace should not only be functional but should also inspire productivity and well-being,” said Jeff Bare, Director of Product at BDI. “The Luma Collection offers a light, airy, contemporary aesthetic that adapts to any work setting while incorporating robust features that enhance the workday.”

### **Elevated Design Meets Exceptional Functionality**

The Luma Collection’s key features include:

- **Three Tables with Two Leg Options** – Available in Compact (48” x 24”), Desk (66” x 28”), and Work Table (72” x 34”) sizes, each can be specified with fixed-height stationary legs or height-adjustable lift legs featuring a unique four-leg system for added stability. A programmable paddle-style handset allows users to set preferred height positions effortlessly.
- **Premium Work Surfaces** – The 10mm satin-etched glass tops, available in beige Dune or Black finish, provide a durable, scratch-resistant finish that complements any modern office space. The finishes correspond with the powder-coated leg bases.
- **Smart Storage Solutions** – The collection includes a new Storage Credenza with three compartments and integrated printer storage, a Multifunction Cabinet with secure file storage and a pull-out printer tray, and a compact File Pedestal with a sliding top and secure drawers.

- **Customizable Desk Accessories** – Optional Storage Drawers and Modesty Panels enhance organization and privacy, ensuring a clean and efficient workspace.
- **Complementary Finishes** – Both the Storage Credenza and Multifunction Cabinet feature the desks' satin-etched glass tops in Dune and Black. All Storage Solutions and Desk Accessories are available in BDI's Natural Walnut finish to beautifully complement both desk finishes and other BDI collections.
- **Integrated Power & Cable Management** – Built-in AC outlets, USB-A, and USB-C ports, along with the Kleet™ wire management system, ensure a clutter-free and connected workstation.

### **A Workspace Designed for the Future**

With its minimalist yet warm aesthetic, the Luma Collection seamlessly blends into contemporary office or retail environments, offering a sophisticated and functional solution for professionals working from home or in shared office settings.

The **Luma Office Collection** will be available at select retailers in June. Learn more at [www.bdiusa.com](http://www.bdiusa.com).
