**Quorum International Announces its New Showroom at the High Point Market**

FORT WORTH, Texas (April 7, 2025)—[Quorum International](#) is opening its new showroom at High Point Market this spring, located in the **Suites at Market Square in M-1000A and M-1000B**. To celebrate, Quorum will debut a stunning new Spring Collection crafted to inspire, illuminate, and transform spaces.

Quorum will host a ribbon-cutting ceremony on the morning of **April 26th**, followed by a brunch for attendees. Later that day, a grand opening event will be held at **3 PM**, followed by a happy hour to celebrate this exciting new chapter. “The relationships we’ve built over the years have shaped Quorum in ways we never imagined, said Jose Lopez, President of Quorum. “By listening to our customers, we’ve learned to anticipate needs, design with intention, and create products that do more than function—they transform spaces, elevate moments, and serve as the backdrop for life’s most cherished memories.”

In addition to the showroom opening, Tamara Day, host of Magnolia Network’s Bargain Mansions, and David Patton, Director of Design for Quorum International, will take guests behind the scenes as they break down the process of designing a lighting fixture—from concept to completion. The “Illuminating Ideas” event will dive into everything from design trends to technical execution, giving participants a deeper appreciation for the art of lighting. This event will take place **Sunday, April 27th, from 1:00 to 2:00 PM**, with a happy hour to follow.

“From the beginning, our passion for craftsmanship, commitment to quality, and belief that design should inspire have been at our core. Yet, our success has never been just about what we create—it has always been about who we create it for,” added Lopez. “Our customers, partners, and designers are the reason we continue to evolve. Quorum’s new showroom promises to be a hub for creativity, bringing together designers and lighting industry professionals in a space that fosters collaboration and inspiration.”
