

Koncept Lighting Returns to High Point Market Spring 2025, Offering Retailers the Opportunity to Order New Designs

Immediate Release

High Point, NC – April 24, 2025 – Koncept Lighting, a leader in innovative and design-forward lighting solutions, is excited to announce its participation in High Point Market Spring 2025, taking place from April 26-30 at IHFC - H431, Hamilton 4th Floor.

Attendees will have the opportunity to explore Koncept's latest lighting solutions and, for the first time, place orders on newly released designs. Additionally, an exclusive showroom-only promotion on pricing will be available to retailers during the event.

"We're thrilled to return to High Point Market and showcase our newest innovations," said Kenneth Ng, Co-Founder and Designer at Koncept Lighting. "Not only are we displaying our latest designs, but we're also giving retailers the opportunity to place orders for these exciting lighting solutions. With our showroom-exclusive promotion, we're excited to offer retailers even more value as they bring cutting-edge lighting designs to their customers."

The Z-Bar Titan Floor Lamp is a bold and versatile lighting solution, designed to adapt to any space with its adjustable height, reaching up to 84 inches. Its fully rotatable LED head allows seamless transitions between focused task lighting and soft ambient illumination. Delivering 1600 lumens of warm 3000K light, the Titan ensures precision and comfort, while its built-in rotary dimmer provides effortless brightness control. Available in Matte Black, Matte White, and Silver finishes, its sleek, minimalist design makes it an ideal fit for executive offices, collaborative workspaces, and modern living environments.

The Combi Table Lamp is a multifunctional lighting and charging solution designed for modern workspaces, hospitality settings, and home offices. It delivers 330 lumens of warm 2700K light, offering both focused task lighting and ambient illumination. Featuring a high-power 45W USB-C port and a Qi wireless charging pad, it keeps devices powered while maintaining a clean, clutter-free surface. A touch dimmer allows for seamless brightness adjustment, ensuring adaptability to any setting. Available in Matte Black, Matte Red, and Matte White finishes, the Combi Table Lamp combines refined aesthetics with advanced functionality, making it an essential addition to any space.

Retailers, buyers, and industry professionals attending High Point Market are encouraged to visit Koncept's showroom at IHFC - H431 to experience these new designs firsthand and take advantage of the exclusive showroom-only promotion.
