CONTEMPORARY LUXURY FROM INDIAN OCEAN AT HIGH POINT

Introducing The SIERRA Round Table with Etna Lava Scuro Stone by Indian Ocean
Launching at 313 Space - High Point Fall Market - October 22nd - 28th 2025

Re-creating the unmatched natural beauty of volcanic stone; solid and rugged by nature and now refined by the innovative technology of premium man-made stone. With 100% natural materials reflecting the desire for a natural feel combined with sophisticated attributes, the Etna Lava Scuro Stone has minimal reflection and a matte finish with a delicate sandblasted texture.

The Stone top sits within a Bronze Powder-coated Steel frame on a single pedestal pillar to support the stone surface.
