

## FOR IMMEDIATE RELEASE

### Greenington Showcases Sustainable Innovation at The 30th Furniture China Expo in Shanghai

Tukwila, WA – August 14, 2025

Greenington, a leading manufacturer of sustainable bamboo furniture, is proud to announce its participation in **The 30th Furniture China Expo**, taking place **September 10–13, 2025** at the **Shanghai New International Expo Centre (SNIEC)**. Greenington will exhibit in **Space #E1A01**, presenting its latest eco-friendly designs and reaffirming its commitment to sustainability and global collaboration.

#### Continuing a Legacy of Sustainable Craftsmanship

Known for its dedication to environmental responsibility and exceptional craftsmanship, Greenington will unveil new collections that blend contemporary design with timeless elegance. Each piece is crafted from **100% Moso Bamboo**, one of the world's most renewable resources, and manufactured using a **zero-waste process** that meets strict international standards.

#### A Vision for a Greener Future

“We’re excited to return to Shanghai for the 30th Furniture China Expo,” said **Yang Lin**, President and Founder of Greenington LLC. “This event is a powerful platform to connect with our international partners and share our vision for sustainable living. Our new designs reflect our ongoing mission to create furniture that’s not only beautiful and functional, but also kind to the planet.”

#### Connecting with the Global Design Community

As one of the largest and most influential furniture trade shows in the world, Furniture China attracts thousands of exhibitors and visitors from across the globe. Greenington’s presence at the Expo highlights its role as a leader in sustainable design and its commitment to fostering meaningful partnerships in the international marketplace.

Attendees are invited to visit **Greenington at Space #E1A01** to experience firsthand the elegance, durability, and environmental integrity of bamboo furniture.
