Linon Home Décor Announces New Partnership with the Frank Lloyd Wright Foundation, Debuting Bathroom Collections at October High Point Market

Mineola, NY – Linon Home Décor is proud to announce a new partnership with the Frank Lloyd Wright Foundation, bringing the iconic architect’s vision into the bathroom space. The collaboration will debut at the October High Point Market with three distinct collections: *USONIA Through Lines*, *Harmony*, and *Progression*.

Each collection translates Wright’s principles of organic architecture, geometric purity, and harmony with nature into bathroom design:

- **Through Lines** continues the exploration of linear forms and timeless simplicity, rooted in Wright’s belief in clarity of design.
- **Harmony** emphasizes balance and unity, blending architectural inspiration with functional bathroom design.
- **Progression** introduces bold structure and movement, capturing Wright’s forward-looking vision.

“It’s exciting to see Frank Lloyd Wright’s principles of organic architecture brought to life in new ways that connect with how people live today,” said Henry Hendrix, Chief Marketing Officer of the Frank Lloyd Wright Foundation. “Through this collaboration with Linon Home Décor Products, design and function come together beautifully, transforming everyday spaces into expressions of harmony, simplicity, and purpose—making great design accessible—just as Wright intended.”

Jim Ziozis, CEO of Linon Home Décor Products, added:

“We are honored to partner with the Frank Lloyd Wright Foundation to expand his design legacy into a new category for Linon. These bathroom collections embody Wright’s philosophy of beauty and function coexisting seamlessly. Each purchase of a Frank Lloyd Wright vanity will include a Certificate of Authenticity from the Frank Lloyd Wright Foundation, underscoring the exclusivity and heritage of this collaboration. We look forward to introducing this inspired line to the design community at High Point Market.”

About the Frank Lloyd Wright Foundation

The Frank Lloyd Wright Foundation, established by Wright in 1940, is dedicated to preserving Taliesin and Taliesin West for future generations, and inspiring society through an understanding and experience of Frank Lloyd Wright's ideas, architecture, and design. Wright's legacy, reflected in contemporary work around sustainable and affordable architecture and excellence in design, is of even greater importance today than in his own time. The Foundation is forward-looking but rooted in the history of the Taliesin communities.
