

Villa & House Celebrates the Art of Gathering at High Point Market October 14, 2025 | High Point, NC

Villa & House invites buyers, designers, and members of the media to join us at High Point Market, October 24–29, 2025, as we unveil over 100 new introductions, refreshed showroom designs, and a series of exclusive seasonal events celebrating the art of gathering.

Following last year’s successful expansion, Villa & House continues to grow with thoughtfully reimagined showrooms in IH609 and IH610 with additional space in IH503 and IH504. Each space has been curated to reflect the warmth of autumn as it ties into our theme, “Golden Hour Gathering.” Visitors can expect luminous brass finishes, refined materials, and modern interpretations of timeless pieces that embody beauty, craftsmanship, and connection.

Our new introductions include statement furniture, elegant lighting and mirrors, and sophisticated décor that elevate everyday living while honoring the craftsmanship at the heart of our brand.
