John-Richard to Launch New Website and Extensive Catalog

WHITSETT, NC, [October 2025] - At John-Richard, we celebrate the enduring value of craftsmanship. Every design begins with intention, created John-Richard will close 2025 with exciting new offerings, beginning with a fully redesigned website set to launch later this year. The updated site will feature a refined aesthetic, a seamless browsing experience, and intuitive ways to explore the full scope of our collection.

Following Fall Market, we will unveil a new, 600-page John-Richard catalog, our first since 2021, complemented by a post-market supplement highlighting all of our newest introductions not included in the main catalog.

With these exciting updates, John-Richard invites customers and design enthusiasts alike to explore, discover, and be inspired by the full breadth of our collection as we move into the new year.
