Designer Colors Collection - pattern code DC30213 - A plain texture pattern showing a subtle geometric design with very fine shimmering vertical lines running down the paper

Italian Textures 4 Collection-pattern code IT32438-A horizontal stripe design that evokes feelings of relaxation and timelessness. The stripes are smooth shimmering bands that give an artisan appearance

Loft 2 Collection -pattern code 34162- A simple yet effective 3D honeycomb design on a textured paper. Its neutral tone and interesting design make it suitable as an all-wall solution or feature wall

Ornamenta Collection - pattern code 35932 - A classic damask design that imitates the opulence of the woven cloth. Damasks are versatile designs suitable for a wide range of interior styles

Synergy Collection - pattern code PS33316 - For a fresh but decadent way to bring more nature into your home interior, bring home a lush, leafy wallpaper like this botanical design

Terra Collection - pattern code 34640 - The world's first clay-based wallpaper collection. Mimicking an old stone surface, this design is plain but will add warmth to any interior scheme

Utopia Collection - pattern code G68020 - This large-scale geometric pointed arch is perfectly placed upon a neutral woven background for an elegant geometric look finished off with a luster sheen

Cerra Collection-pattern code 81425- This intricate design evokes the artistry of historical motifs while maintaining a light, sophisticated character. Merges classic inspiration with modern refinement
