

## The Signature Collection

The Signature Collection by Lit Moments Candle Company represents the heart of the brand... fragrances designed to feel familiar yet elevated, intentional yet effortless. Each scent is thoughtfully crafted to enhance everyday moments and create spaces that feel warm, grounded, and personal.

Hand-poured in the USA using clean, sustainable materials, this collection features balanced fragrance profiles that blend seamlessly into a variety of environments. Designed with versatility in mind, the Signature Collection complements modern interiors while remaining approachable and timeless.

As the foundation of the Lit Moments fragrance portfolio, these scents are well-suited for curated retail, hospitality settings, and designer-led spaces. The Signature Collection offers a refined sensory experience that invites connection, memory, and a sense of home.
