

## THE GENTLEMEN'S COLLECTION

Modern fragrance and grooming, thoughtfully crafted.

The Gentlemen's Collection by Lit Moments Candle Company is designed for the modern man who values ritual, craftsmanship, and quiet confidence. This collection blends rich, layered fragrances with elevated presentation... offering both home fragrance and personal grooming essentials.

Featuring hand-poured candles and a signature beard oil, each piece is crafted to complement daily routines while creating moments of grounding and intention. Inspired by classic barbershop notes and refined masculine profiles, the collection balances strength with subtlety.

Ideal for curated retail, gifting, and hospitality environments, The Gentlemen's Collection offers a timeless approach to masculine scent... designed to feel personal, polished, and enduring.
