COUTURE Jardin Unveils NEW Collections in April at Salone del Mobile Milano and High-Point USA expanding its Premium Outdoor Furniture Line Pompano Beach, Florida — March 21, 2026 — COUTURE Jardin, a leader in contemporary outdoor furnishings, proudly announces the launch of three exciting new collections: DARLING, DELIGHT and SO CHIC, alongside key additions to existing collections. Designed to elevate outdoor living spaces with modern elegance and lasting durability, these new collections continue the brand's commitment to refined design and exceptional quality.

Following an outstanding year of double-digit growth in 2025, COUTURE Jardin is building on its success by introducing these stylish, versatile collections.

"We're thrilled to introduce those new collections, each one designed with a unique aesthetic to offer even more variety to our discerning customers,"

said Normand Couture, Founder and Designer of COUTURE Jardin.

"This is a reflection of our commitment to provide luxurious outdoor living solutions.

At the same time, we are enhancing our existing collections with select key items to ensure our offering remains at the cutting edge of outdoor design."

The entire collections are available through authorized dealers and distributors in more than 75 countries.
