# NEW FOR 2026

## The Vasto Collection

Designed by JANUS et Cie Studio

The sculptural curves of fanned silhouettes and barrel-back seating paired with artisanally handwoven rope structures beautifully coalesce in the Vasto dining and lounge collection.

Vasto is composed in powder coated aluminum and eminently durable, UV-resistant, synthetic fiber ropes. The seven pieces are available in two, elegantly neutral colorways: Bronze frames with a richly variegated Truffle weave and Talc frames woven with Chanterelle, a warm ecru mélange hue.

Open and airy yet providing structural substance, Vasto's inviting forms beckon relaxation and embrace the body with ergonomically integrated armrests and plush, tailored cushions. The juxtaposition of vertical and angled cross-weaves ensures airflow on warmer days while adding depth, rhythm, and a sense of movement that plays well against Vasto's geometric frames.
