

## **2026 October New Introductions**

**Link to: [Capel Rugs October 2026 New intro Images](#)**

### **ATLAS**

Inspired by traditional geometric motifs and patterns, each rug showcases a harmonious blend of rich, saturated colors that add depth and warmth to any space. Hand knotted in India from 100% wool; these rugs offer a luxurious texture underfoot while ensuring durability for everyday living. Each piece feels like a distinctive work of art that effortlessly blends global heritage with modern sophistication. Four colorways shown is Atlas | Coco

### **Eluru**

This refined collection of hand-knotted rugs is crafted in India from 100% wool, offering a perfect balance of artistry and understated elegance. Featuring subtle geometric patterns rendered in tonal palettes, creating a sense of depth and texture without overwhelming the space. The soft, harmonious colorways range from warm neutrals to cool, contemporary hues, making these rugs versatile enough to complement a variety of interiors. Available in four colors, shown is Eluru | Indigo

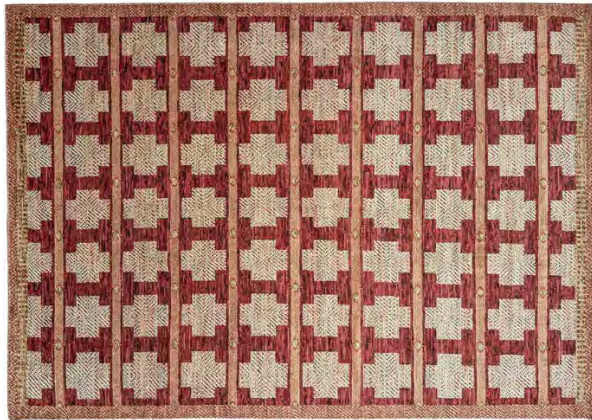

### **Elysia**

Exquisitely hand knotted in India of 100% wool, you will find breathtaking detailed traditional designs in modern saturated colors. This collection will bring luxury and heritage to all interior spaces. Available in 3 colors, shown is Elysia | Indigo

### **Scandi**

Blending the simplicity of Scandinavian design with the richness of traditional craftsmanship, this collection of hand-knotted rugs is expertly made in India from 100% wool. Clean lines, understated patterns, and a focus on balance define each piece, creating a calm and inviting aesthetic. Available in 4 colors, shown is Terracotta.

## **Tantu**

You will find in Tantu modern design uniting with subtle cultural influences, for a collection that feels both contemporary and rooted in tradition. Hand-tufted in India from 100% premium wool, featuring clean lines, bold geometry, and modern color palettes inspired by traditional patterns and textile heritage. Soft, durable, and richly textured, bringing warmth, craftsmanship, and a refined global character to all interiors. Available in 5 designs, shown is Ivory Camel.

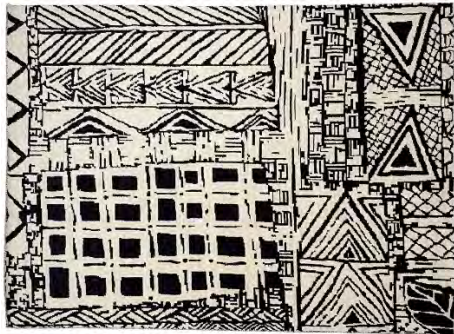

## **Zaria**

The hand knotted Zaria collection is the fusion of a simple floral motif with a distinctly Scandinavian sensibility, offering a fresh take on classic design. Crafted in India from 100% wool, each piece features soft, understated patterns and a calming palette that enhances its clean, modern appeal.

### **Montpelier**

Combining modern elegance with artisanal craftsmanship, this collection is hand-knotted in India from 100% premium wool yarns for a rich texture and lasting durability. Inspired by refined fabric patterns, these contemporary designs include a subtle tone-on-tone neutral for understated depth and a bold black-and-white option for striking contrast, offering versatile style that complements both minimalist and curated interiors. Featuring Noir.

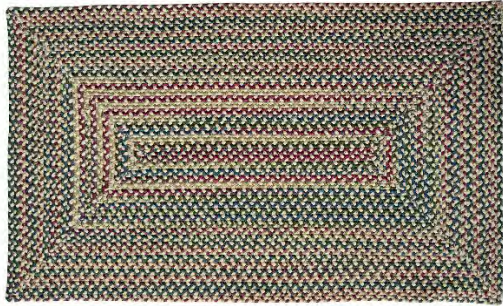

### **Timber Haven**

A new addition to our braided American originals, Timber Haven features traditional rich colors that complement a wide range of interiors. Crafted in the USA from a durable blend of 67% Nylon, 22% Polyester, and 11% Wool, this collection is designed to withstand high-traffic areas while maintaining a soft texture and timeless braided aesthetic. Featuring Oatmeal.

### **Beachwood**

The Beachwood Collection is a new addition to our braided American originals, crafted in the USA from an easy-care blend of 67% Nylon and 33% Polypropylene. Designed for durability and low maintenance, this rug is a practical choice for everyday living and high-traffic areas while maintaining the classic appeal of a braided design.

## **NEW 2026 ADDITIONS TO CURRENT COLLECTIONS**

### **Charise**

We are adding 3 new designs to our Charise Collection. These timeless designs are hand knotted in fresh, appealing colors to complement a variety of interior styles.

### **Henley**

We are expanding our hand-knotted Henley collection with two bold, trending colorways. Featuring a modern take on a traditional grass design, Henley pairs fluid, organic lines with a subtle ombré effect for an intricate yet minimalist aesthetic. Inspired by current market trends across home furnishings and textiles, these new hues provide a striking foundation for any well-designed space.

### **Antissa**

Introducing a tranquil new aqua colorway to our Antissa collection. Jacquard-loomed in India from wool and viscose, Antissa blends fluid stone patterns with rich texture to bring the serene, timeless beauty of the Aegean coast into your space.
