Inspiring Product Debuts

Known for its modern take on classic luxury, Villa & House is debuting new looks and new colorways of several bestselling designs at the Fall market. The new **Madeline Extra Large 6-Drawer** Dresser takes storage to the next level with its shapely silhouette and expressive character. Its captivating design is meticulously wrapped in grasscloth, then sealed in clear lacquer, revealing rich texture beneath a luminous finish. See the Madeline at High Point Market in Deep Olive, and in the catalog in Colonial Blue Shimmer.

New additions to the bestselling **Isadora** collection include a **Tea Table** and **Side Table**, both polished and portable and debuting in a lacquered Deep Olive grasscloth. Like the existing colorway range in the Isadora collection, their open silhouettes are set on four brass casters and accented with cast metal in antique brass.

The **Gianna Etagere** joins Villa & House's popular Gianna collection. Its shapely form offers a stylish display and storage option with four tiers, and a drawer finished with a polished brass branch-shaped pull. Hand wrapped in Spring Green grasscloth and sealed beneath clear lacquer, the Gianna Etagere adds instant vibrance to a space.

The popular **Bardot Large 3-Drawer** Dresser with its sweeping serpentine curves and sculpted drawer fronts, arrives in Spring Green lacquered grasscloth, extending the choice of color options, and offering ample storage space with a confident sense of glamour.

Previously only offered in Eggshell White, the **Loop Side Chair**, a mahogany dining room favorite for its graceful wood-cut details and back design featuring interlocking looping fretwork, makes its debut in lacquered Garden Celadon with a natural linen cushioned seat.

Also new at market, Villa & House's **Framed Silk Panels** are the perfect complement to its furniture. Hand-painted on silk and available in singles and pairs, these elegant wall décor designs feature Chinoiserie motifs in timeless color palettes, in sizes ranging from 24" x 48" to 36" x 50".

Market attendees are invited to stop in from Friday, October 16, 2026, through Wednesday, October 21, 2026, to explore the latest introductions and experience the craftsmanship, materiality, and distinctive point of view that define Villa & House.
