A curvy silhouette with vertical ribbing makes the Akita Vase Collection easy to style. The neutral color and striking shape allow each size to stand alone or hold a few fresh statement stems.

Two uniquely shaped pieces puzzle together to make the Clyde Trough. A rich, turquoise green reactive glaze covers each piece, which can be planted in, styled alone, or separated.

H: 3" x W: 3" x D: 11"

Add a burst of color with the ceramic Dagny Candleholders, beautifully glazed taper holders with bold blue dappling. Stacked spheres create a sculptural shape and bring height to a styled surface.

Meet Avery, a wall mount from our Eric + Eloise Collection. This elegant cast aluminum pheasant features a stylish fascinator and neck scarf and pairs perfectly with her companion, Emerson.

H: 22" x W: 8" x D: 10"

The neutral Halford Bowl features a squiggle-shaped opening that makes it a focal piece. This slightly speckled ceramic bowl is perfect for moss plantings or decorative fillers.

H: 4" x W: 4" x D: 17"

Organic, earthy texture and sleek, modern silhouettes make the Olivander Vase Collection stand out. These large-scale, watertight vessels feature a hand-applied sand crusted glaze.

H: 11" x W: 11" x D: 20"

Highly dimensional, hand-applied ceramic ribbons span the Ravello Vase. A neutral, varied reactive glaze brings warm tones and architectural interest to modern interiors.

H: 8" x W: 8" x D: 21"

Add folk art-inspired charm with the Shorebird Planter, a ceramic, watertight vessel with dimensional carved details and a soft green reactive glaze that makes each piece unique.
