COMPANY INFORMATION

At Orchids Lux Home, we believe comfort is an experience meant to be lived every day, not reserved for special occasions. Since 1986, this belief has shaped our approach to bedding, bringing together fine natural fibers, refined textures, thoughtful design, and skilled craftsmanship with a focus on softness, comfort, and the way each piece feels in everyday use.

Our assortment spans Egyptian and Supima Cotton, Organic Cotton, Linen, Lyocell, Velvet, and Silk across Sheets, Duvet Covers, Quilts, Coverlets, Blankets, Pillows, and coordinating textiles. Each collection is developed with close attention to fabric, construction, comfort, and the needs of the modern bedroom, offering retailers and designers a considered selection for their customers and spaces.

Care and comfort remain at the heart of Orchids Lux Home, guiding the fabrics we select, the craftsmanship behind each piece, and the experience each collection brings to everyday living.
