Nourison Home Relocates Corporate Headquarters to Ridgefield Park, New Jersey

Company moves to 65 Challenger Road after more than 30 years in Saddle Brook to support continued growth

September 1, 2026: Nourison Home announced the relocation of its corporate headquarters to 65 Challenger Road, Fifth Floor, Ridgefield Park, New Jersey 07660. The move follows more than 30 years at the company's longtime headquarters in Saddle Brook, New Jersey.

The Saddle Brook location was part of Nourison Home's history for more than three decades, serving as the site where the company built relationships with retailers, designers and employees and developed its rug and broadloom collections. Nourison Home's phone numbers, email addresses and points of contact for customers and partners will remain the same following the move.

The Ridgefield Park headquarters gives Nourison Home's teams a new environment for collaboration as the company continues to invest in product design, technology and customer service. The company's approach to craftsmanship, design and partnership remains unchanged.
