

CLASSY*Living* Introduces

Simply Sophisticated

Classy Living introduces Simply Sophisticated, its Fall 2026 collection of wall décor and lighting. The collection expands across a wide range of new designs, materials, finishes, and styles created to help retailers build layered, finished spaces with ease. Featured here is just a small sampling of the release — from dimensional and illuminated wall art to nature-inspired imagery and statement lighting — offering a glimpse into a much broader assortment designed with versatility, texture, and approachable sophistication in mind.
