HINKLEY DEBUTS NEW FREDRICK RAMOND & LISA MCDENNON COLLECTION LIGHTING AT OCTOBER HIGH POINT MARKET

High Point, North Carolina — The Hinkley family of brands will showcase its latest lighting designs from its prestige lighting brand Fredrick Ramond and award-winning interior designer Lisa McDennon during this October's High Point Market. New luxury interior, bathroom, and outdoor lighting styles will be displayed in Hinkley's High Point Market Square Showroom (MS143) alongside the full breadth of lighting and ceiling fan fixtures offered by Hinkley, Fredrick Ramond, and Lark.

FREDRICK RAMOND

Celebrating the artistry of organic forms, this season's collection features dramatic, sculptural silhouettes, luminous porcelain, and opulent glass.

ANTIBES

Inspired by the textures of seashells and coral reefs, Antibes' hand-detailed porcelain shade imbues a luxurious coastal aesthetic.

ESSIE

Aspiring to the opulence of vintage Parisian design and the extravagance of Art Deco architecture, Essie glamorously layers etched bubble art glass.

VERITY

Romantic silhouettes softened by hand-thrown porcelain shades evoke the delicate femininity of spring tulips.

HINKLEY'S LISA MCDENNON COLLECTION

Award-winning interior designer Lisa McDennon showcases elegantly modern lighting designs accented by natural stone and luxe metal finishes.

ABODE

Small in scale yet rich in presence, Abode complements natural cream travertine and mocha brown marble with warm illumination.

BIJOU

Evoking joy and the spirit of celebration, Bijou's cascading tiered silhouette creates a sense of occasion.

YARA

Enamored by the natural beauty of alabaster, Yara is elevated by the stone's endless luminosity.
