ELOISE GOLDMAN | THE 18 AGENCY

914-384-4840 | ELOISE@THEEIGHTEENAGENCY.COM

Our fall introductions embrace **richer finishes, layered materials**, and an inviting **sense of warmth**. Deep, saturated hues and tactile textures build on the airy palette of warmer months, grounding every room in **something that feels lived-in rather than newly arrived**.

Inspired by mid-century design, **Frederick** features an angled silhouette, while **Morel** celebrates the beauty of traditional tortoise rattan. Our coffee and side table collections continue to grow, highlighted by the **acrylic and rattan Oriana and Besette**, and **oxblood** makes its debut across a selection of our most-loved pieces, including **Jarin and Harlow**.

Each new piece reflects our continued pursuit of meaningful design—where **distinctive materials, considered details, and timeless forms** come together to create spaces that feel collected and **uniquely personal**.

Available as dressers, nightstands, bookcases, and side tables.

*Blue tortoise only available as bookcase.

KEY INTRODUCTION

FREDERICK

The Frederick collection pairs clean, angular silhouettes with richly contrasting materials for a look that feels both tailored and timeless. Faux Belgian linen drawer fronts are framed by striking mappa burl, creating a refined balance of texture, warmth, and modern sophistication.

KEY INTRODUCTION

OXBLOOD

Our oxblood finish is expanding. Now available in faux shagreen alongside our signature faux Belgian linen, this rich, wine-inspired hue brings depth and warmth to a wider selection of our most-loved pieces, including Jarin and Harlow.

From bedroom storage to living room accents, each piece pairs tailored texture with refined versatility for a look that's both polished and inviting.

KEY INTRODUCTION

RATTAN & ACRYLIC

Natural rattan and clear acrylic come together in the new Bessette and Oriana collections to create a look that feels both timeless and unexpected.

The warmth of handwoven rattan is balanced by the lightness of transparent acrylic, resulting in versatile pieces that bring texture, openness, and effortless style to any room.
