

FALL 2026 INTRODUCTIONS

ELOISE GOLDMAN | THE 18 AGENCY
914-384-4840 | ELOISE@THEEIGHTEENAGENCY.COM

Lavish tones, textural dimension, and distinctly inviting silhouettes are here to stay with our fall collection. Defined by new finishes like **oxblood faux shagreen** and **mocha spiral burl**, every piece reimagines the everyday.

Featuring brand-new accents like the **hand-cast aluminum Halsey**, thoughtfully finished for indoor and outdoor retreats, and boldy refined statements like the **woven leather Lexington**, our bath and home additions are truly one of a kind.

Exuding elegance from all sides, they're the distinguished details that always make an impression.

Timeless in nature and form, this season's collection introduces a style for every space. Dark tones and tailored details, like meticulously hand-braided leather and hand-cut horn, bring rich sophistication to everyday essentials, while layered abaca and natural rattan highlight organic individuality and sculptural beauty.
