**Elite Modern introduces exciting new Products and Colors!**

**Modern furniture manufacturer announces the addition of new accent tables, designed by Carl Muller and serving carts, designed by Rick Lee**

**SANTA FE SPRINGS, Calif.** – Just in time for the High Point exposition in North Carolina, furniture manufacturer Elite Modern introduces two new product lines. Created by top designer Rick Lee, Elite Modern's new serving carts boast an innovative design, which is both strikingly aesthetic and functional.

Also new this month from Elite Modern are laser cut accent tables, designed by Carl Muller, which are a perfect accent to any living space. These new designs are modern and sleek, with unique metal or wood supports. These tables are easily movable, yet sturdy and functional.

We take pride in our exceptional modern furnishings, which are all manufactured in the USA, at our state-of-the-art facility in Southern California. We are constantly adding new and original designs by top American designers, providing the most modern and up-to-date look for homes, offices, and the hospitality market.

Elite Modern will be exhibiting at the Fall High Point Market taking place October 17-22. IHFC D520. Buyers may view the new introductions at this exciting event. New additions in metal powder coat finishes- Kiwi, Ocean, Flame, and Mist are now available for all of our products and will be on display at the market. These fashion colors will enhance our product selections. Elite offers buyers a multitude of custom finishes and fabric choices for the entire line.
