

FOR IMMEDIATE RELEASE

GREENINGTON to SHOW at ICFF

Tukwila, WA (November 2021): Commercial & residential sustainable bamboo furnishings manufacturer Greenington will show at the ICFF | Javits Center | November 14-15 | booth #2804. The ICFF is North America's leading global platform for showcasing contemporary furnishings design and innovative commercial solutions.

"Greenington has the resources and experience to design and make sustainable bamboo products for any commercial project," said Yang Lin, President/Owner of Greenington. "We are truly excited to be part of the ICFF show and look forward to engaging the guests on solutions for their projects."

About Greenington: Greenington is a sustainable manufacturing company focused on creating beautiful, high-quality products using one of the earth's most sustainable resources, bamboo. Fixed on quality, Greenington cuts no corners, while staying true to their 25-year sustainable mission, following strict international standards and guidelines, and maintaining a zero-waste manufacturing process.
