HIGH POINT SPRING 2024

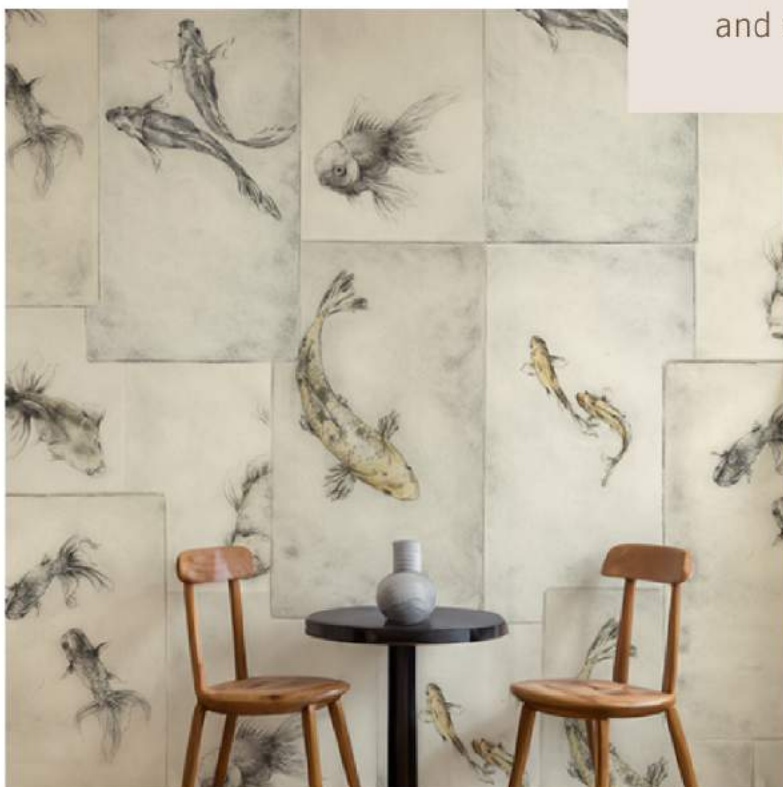

# HIGH POINT SPRING 2024

## Area Public Unveils New Wholesale Line for Retailers

Area Public Wallpaper is thrilled to announce the launch of its exclusive wholesale line, available to select retailers. This exciting new collection bursts with color, originality, and a touch of the unexpected, perfect for homeowners seeking to make a statement with their walls.

Area Public's wholesale line redefines the traditional notion of wallpaper. Gone are the days of subdued florals and repetitive patterns. This collection embraces the bold and the beautiful, featuring eye-catching, graphic designs that sing with personality. From vibrant geometric motifs to whimsical hand-drawn illustrations, each pattern is a testament to the brand's commitment to artistic innovation and collaboration.

## Sustainability and Artistry in Harmony

Area Public remains deeply committed to its core values of sustainability and ethical sourcing. All wallpapers are crafted from pre-pasted paper derived from responsibly managed forests, ensuring both a luxurious look and feel while minimizing environmental impact.

## Bringing Art to Your Doorstep

Additionally, the brand fosters strong partnerships with talented fine artists from around the world, paying them royalties for every square foot printed and adhering meticulously to their creative vision. This dedication to supporting artistic expression shines through in every captivating design.

# ABOUT US

We are a community of artistic free spirits who love a good challenge and are always looking for new ways to push ourselves and our creativity.

We aim to bring remarkable wallcoverings to life, transforming blank spaces into stunning works of art. In this way, we hope to share our passion for art with the world.

We believe that creativity is for everyone. It can be expressed in many different ways, from painting and drawing to writing and music.

Wallpapers print on demand and can be dropshipped to your customers, making the delivery process hassle-free.

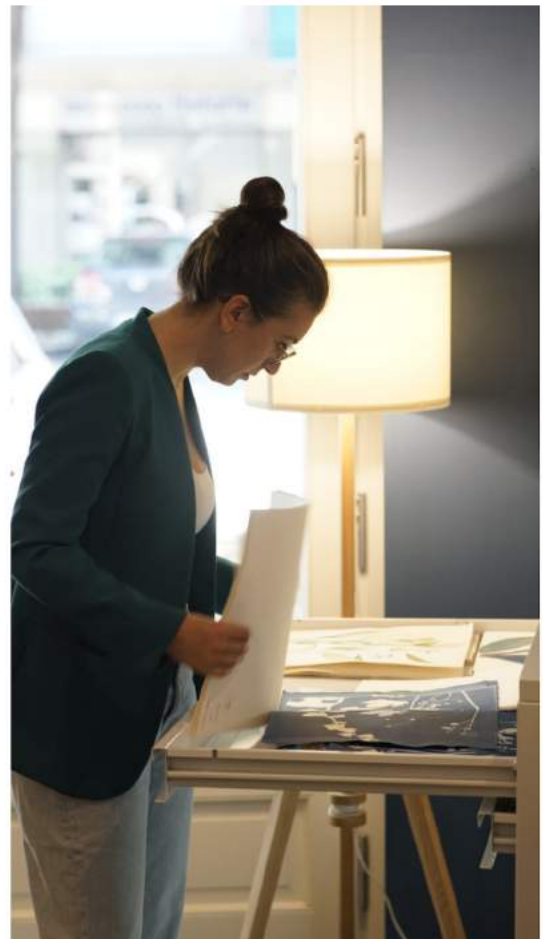

We thrive on embracing innovative thinking to find extraordinary solutions that set us apart in every endeavor.

Our paper is sourced from FSC-certified forests. We use low-VOC Greengold Certified Inks.

We foster an environment where innovative ideas flourish and imaginative solutions come to life.

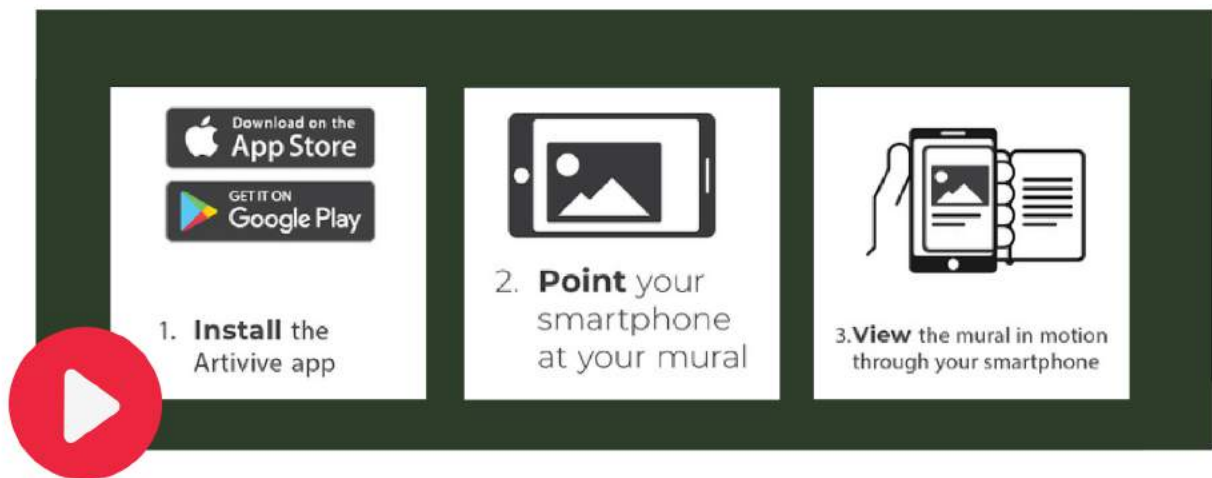

## MURALS IN MOTION

What happens when you combine a deep love of art, an innovative work environment, and a strong curiosity about where technology can take us? You get Murals in Motion, where augmented reality meets curated wall murals. By combining your smartphone and work by Area artists, unique wallpaper takes on a whole new meaning.

To bring this immersive mural experience to life, Area Public has partnered with Artive, an augmented reality powerhouse that has become the ultimate way for artists to engage with their community by bringing their artwork to life through AR.

Artive is the definition of cool, helping to build immersive bridges between art and our digital future. The process is super easy; all you have to do is download the Artive App, point it at your wallpaper, and let the magic begin!
