**Mr. and Mrs. Howard for Sherrill Furniture Reimagines Old World Charm and Adds to Turkish Revival Influences with Nellie Jane Collection**

HIGH POINT, N.C. – Mr. and Mrs. Howard for Sherrill Furniture are proud to unveil their latest introductions, redefining the concept of timeless elegance with a modern twist. Rooted in sophistication and craftsmanship, these new products embody the fusion of old-world charm and contemporary design, catering to discerning individuals who appreciate the art of fine living.

Drawing inspiration from Turkish influences, the Nellie Jane Collection features stunning, new upholstery silhouettes that command attention and invite onlookers to stop and stare. From Turkish ottomans to luxurious bed frames, every piece is a testament to dedication and excellence in design and quality.

Recognizing the importance of thoughtful design choices for families with pets and children, Nellie Jane has incorporated durable materials and practical features into each piece. From performance fabrics to sturdy construction, each piece is designed to withstand the rigors of daily life while maintaining its beauty and elegance.

Casegoods in the collection tell a captivating story through time, with each piece bearing the marks of craftsmanship and history. From intricately carved details to rich wood finishes, these casegoods add a touch of timeless sophistication to any interior space.

For those who appreciate the unexpected, the new **MHN31010 Amy Gable Table** offers a unique twist on a traditional design, featuring inlaid fretwork and unique finish offerings that are sure to spark conversation. It can also be customizable using any Howard finish or Benjamin Moore color using Sherrill's Color-Match Program.

"The new introductions from the Howards this season celebrate the beauty of old-world designs while embracing the possibilities of the modern era," said Sydney Martin, director of marketing for Sherrill Furniture Brands. "Each piece is not only beautiful, but also functional and enduring."
