Las Vegas is Getting Greener this August!

Greenington Announces New Las Vegas Permanent Showroom

Greenington Fine Bamboo Furniture is pleased to announce a new lease with International Market Centers for a permanent showroom in the Las Vegas Furniture Market. The new showroom is located in Building B of the World Market Center, showroom B -0701. A ribbon cutting is scheduled for the first day of market, Sunday, August 2nd, at 10 am. Customers, friends of Greenington, and the media is invited to join the celebration.

“We are very excited to now have a permanent showroom in Las Vegas. It is a beautiful space and a great location in the market, both for showcasing Greenington product and for seeing all of our dealers,” says President Yang Lin. “We look forward to welcoming customers to our new showroom, and feel you’ll be pleased with what you see.” explained Mr. Lin. Greenington also has a permanent High Point showroom, located in the Hamilton Wing of the IHFC Building.

About Greenington, LLC

Greenington is a Seattle based company making furniture in 100% solid bamboo, the planet’s most eco-friendly, rapidly renewable resource. President and founder, Yang Lin, was manufacturing high quality bamboo products for over 20 years before he entered the business of creating a line of high quality solid bamboo furniture in 2004.

In 2014 the company launched a new division of elegant outdoor furniture, crafted in 100% solid bamboo which debuted last September in Chicago at the International Casual Furniture & Accessories Market. This year Greenington introduced a new line of bamboo contract furnishings designed specifically for the Hospitality and Design markets.

With unique products, Greenington’s fine bamboo furniture has quickly risen to the top of the industry, known for its enduring beauty, style and quality. Greenington is a founding member of the SFC, the Sustainable Furnishings Council.
