### **Cotton and Quill Joins Forces with Hive Porcelain for Fall 2019 Debut at High Point Market in North Carolina**

As Cotton and Quill launches its fall line, designer and owner, Mary Catherine Folmar, couldn't be more excited. Having recently joined forces with Hive Porcelain of Hive Designs in Gastonia, N.C., Mary Catherine's designs can now be found on dinner plates, platters and cache pots, just to name a few.

"With the addition of the porcelain line we have been able to bring our lifestyle brand full circle," says Mary Catherine. "The designs of the porcelain line are an extension of our new textile/wallcovering designs which we based on the idea of Southern hospitality, and I'm really excited to show them this fall."

Mary Catherine's porcelain designs feature botanicals in hues of greens and blues on white porcelain and mirror several of her richly, illustrated textile designs for fall. Mary Catherine will be showcasing her fall 2019 Cotton and Quill line as well as her collaboration with Hive Porcelain at High Point Market in High Point, N.C. October 18-23, 2019. "I grew up around beautiful china and place settings. My grandmother and mother were and are the definition of Southern hospitality. Launching this collection with Hive Porcelain feels like coming back home."
