

## **CORBETT LIGHTING RELEASES SECOND COLLECTION WITH MARTYN LAWRENCE BULLARD AT OCTOBER HIGH POINT MARKET**

### **FOR IMMEDIATE RELEASE**

**HIGH POINT, NC – OCTOBER** – Corbett Lighting debuts their second collection with award-winning, A-list design sensation Martyn Lawrence Bullard at High Point Market. Martyn’s second collection with the brand features eleven families including chandeliers, pendants, sconces, and portables – a first for Corbett Lighting.

“We couldn’t be more excited to be working with Martyn Lawrence Bullard on a second collection,” says Ben Marshall, Creative Director of Corbett Lighting and Troy Lighting. “The families feature gorgeous finishes, eye-popping textures, and nuanced craftsmanship creating an enchanting yet approachable collection. From the ever-popular Moravian star to a faceted honeycomb lantern, Martyn’s new collection has found ways to take beloved forms and make them new.”

Martyn’s new collection with Corbett Lighting includes nods to mid-century modern and industrial influences in a way that showcase Corbett’s artisanal strengths. With names lifted from the ancient world, the collection is decidedly modern, and while its craftsmanship is apparent, it is also fun.
